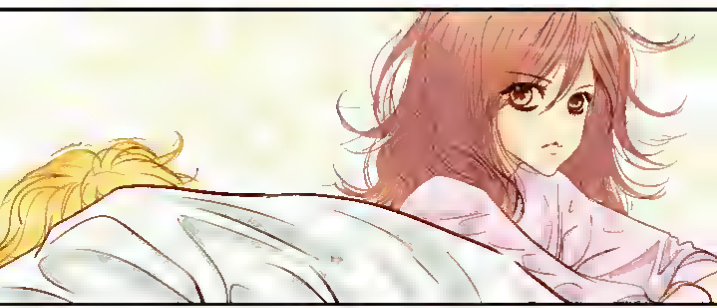
I want to like someone... like you, who stands right before my eyes...

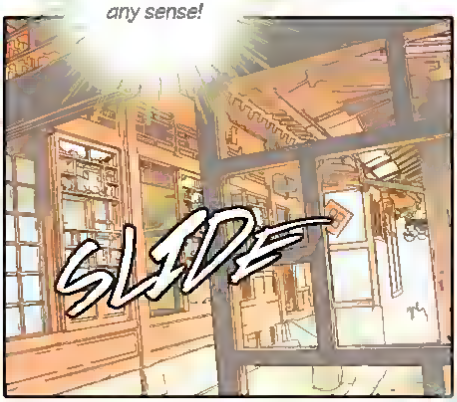
a girl who is around my age, someone who is pretty and healthy...

If his curse
is lifted...



Could we be together?

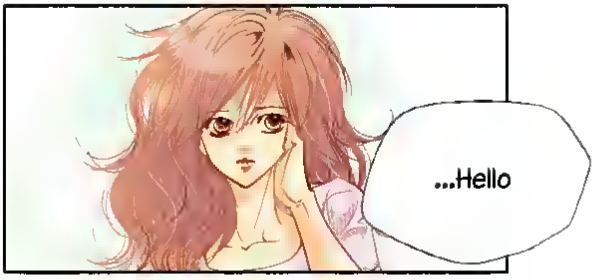
No, that doesn't make any sense!



People's feelings are not a joke

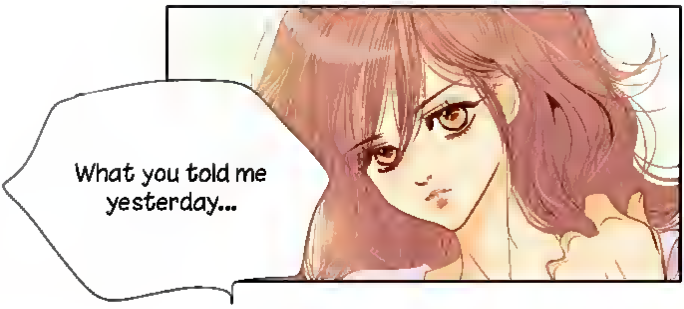
Even if the curse is lifted...

He wouldn't look at me...

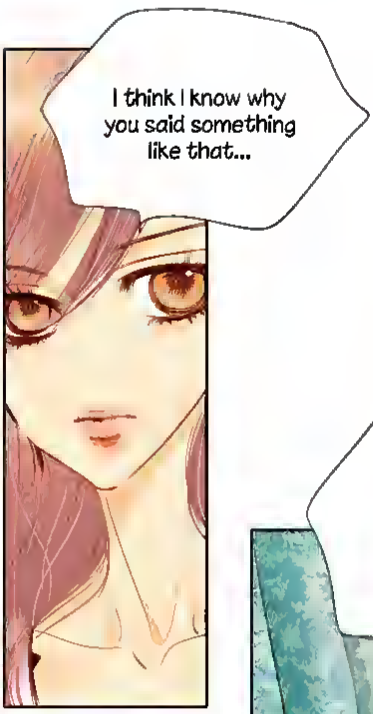


...Hello

DON'T START...
ANYTHING

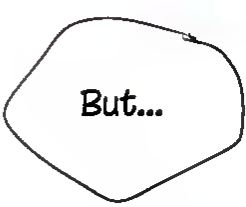


What you told me yesterday...



I think I know why you said something like that...

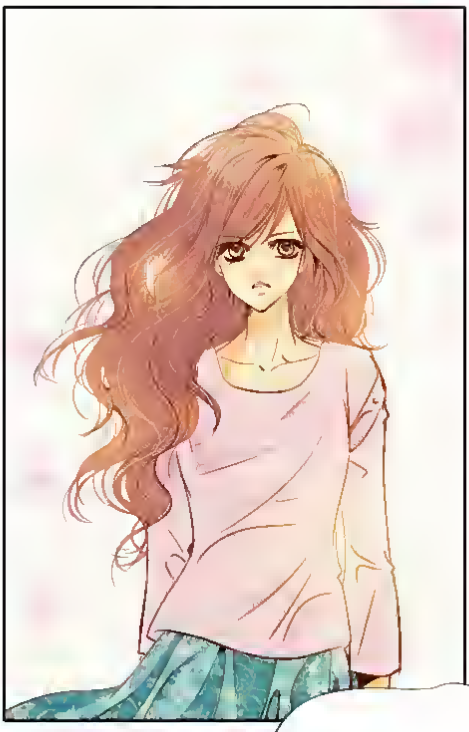
When someone lives like you used to, it's comfortable for everybody else, except for yourself...
!



But...

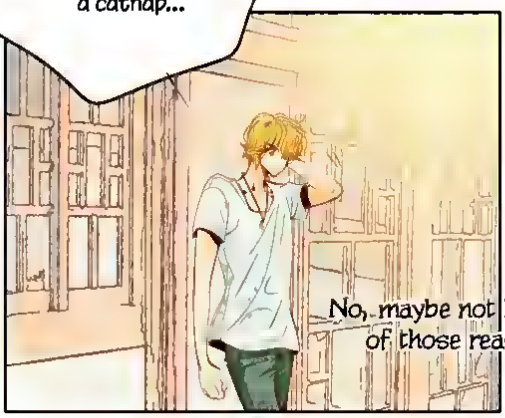
I want to...
start it again.
Please...

It's unfair that someone has to deal with the consequences and suffers from them



Because of something that my ancestor did.

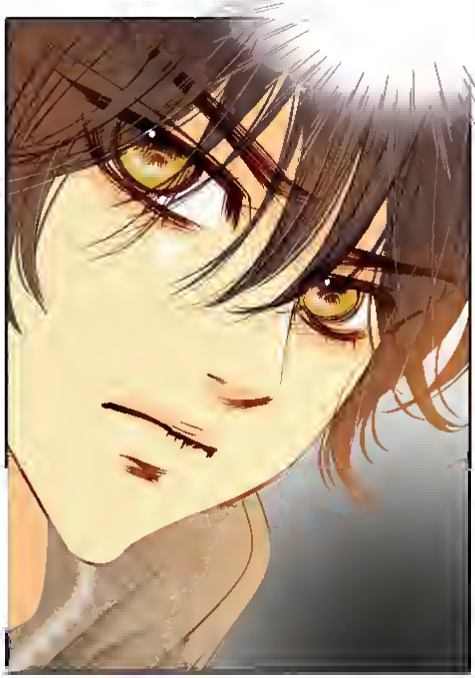
Where did she go while I was having a catnap...



No, maybe not because of those reasons

Well, I'm not really highly skilled at being a witch, so things could go wrong.

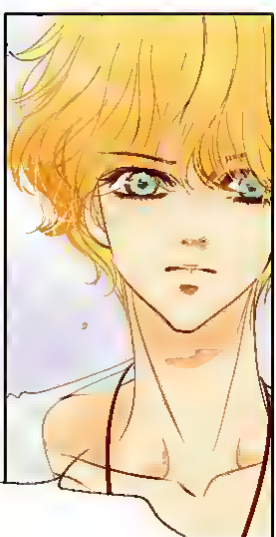
It could be because of my personal greed...



No...

That curse
I want to try to lift it

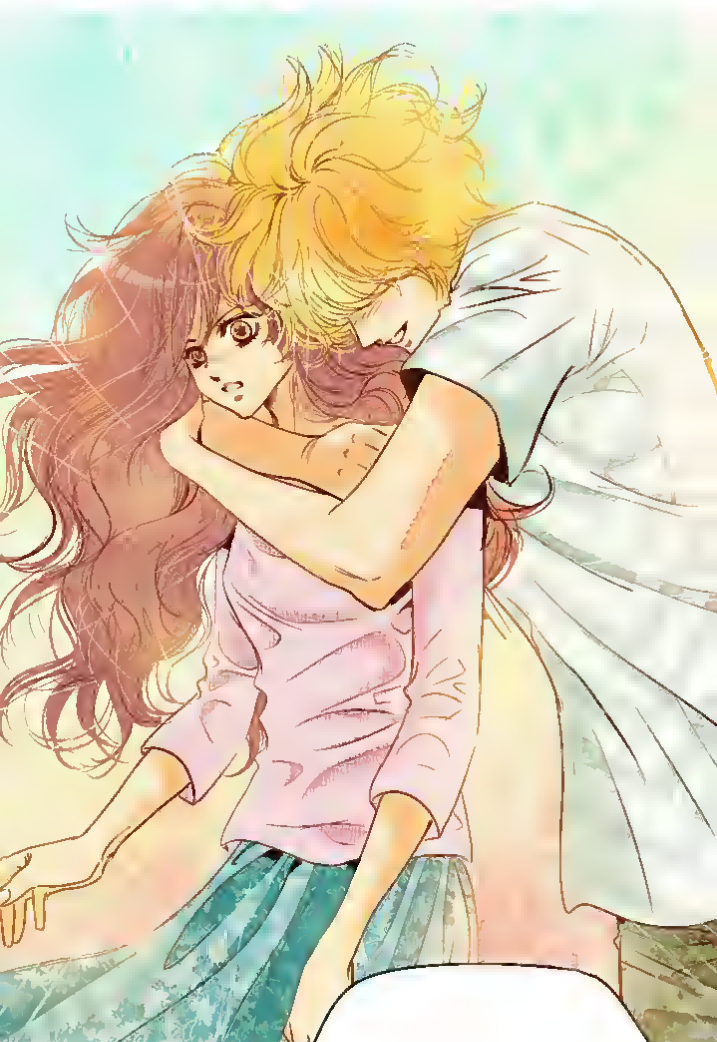
!!



.....

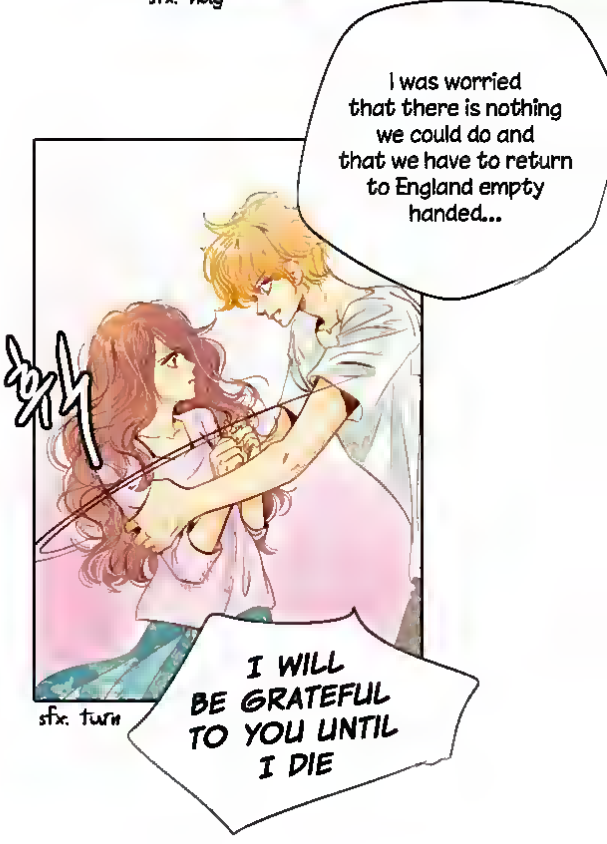
STEP

Thank you...



THANK YOU, MIDAN!

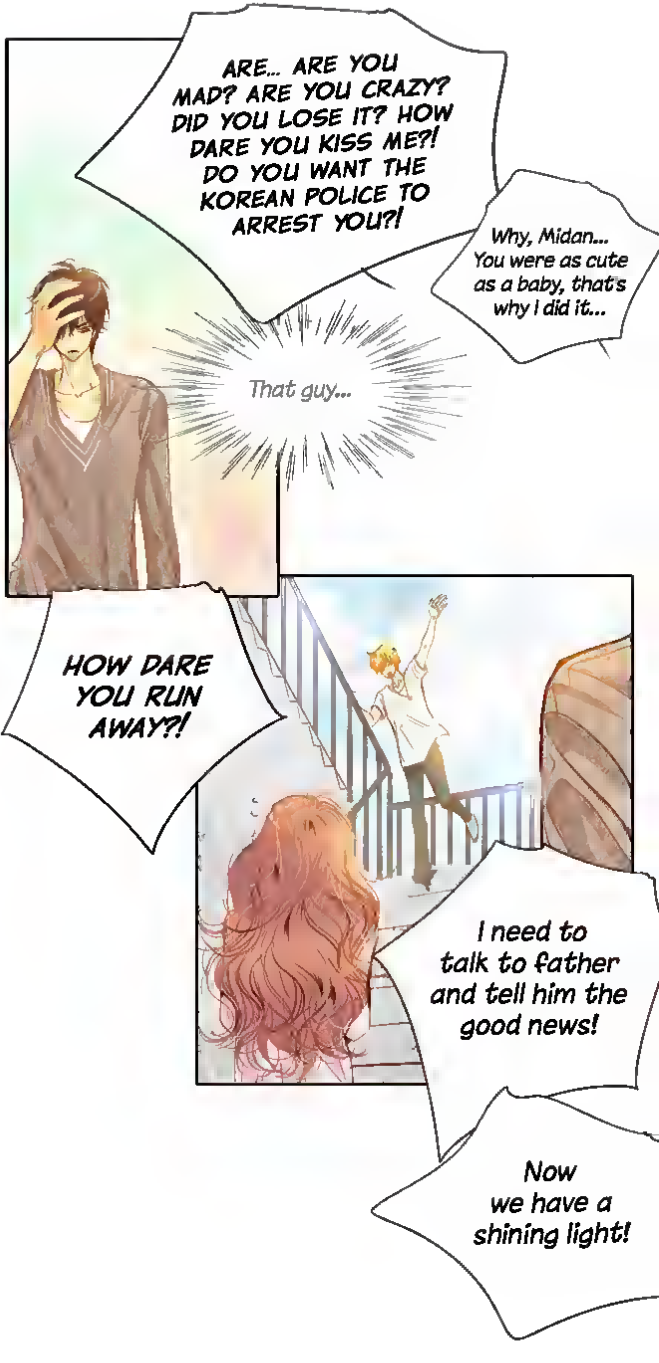
sfx. hug



I was worried that there is nothing we could do and that we have to return to England empty handed...
확
I WILL BE GRATEFUL TO YOU UNTIL I DIE

sfx. turn

와락
chu~♥
HUH?
sfx: hug



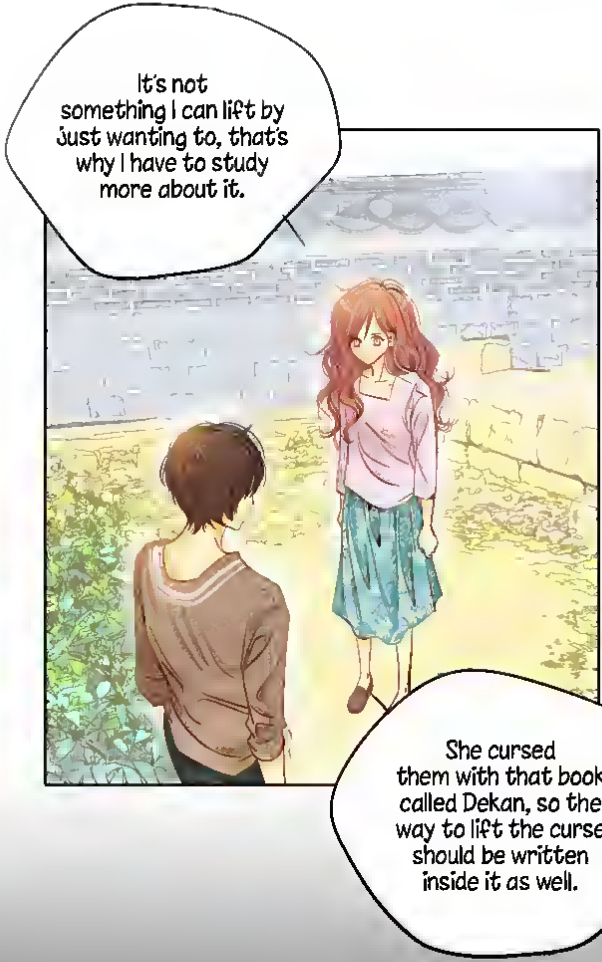
ARE... ARE YOU MAD? ARE YOU CRAZY? DID YOU LOSE IT? HOW DARE YOU KISS ME?! DO YOU WANT THE KOREAN POLICE TO ARREST YOU?!
Why, Midan... You were as cute as a baby, that's why I did it...
That guy...
HOW DARE YOU RUN AWAY?!
I need to talk to father and tell him the good news!
Now we have a shining light!

Look... Allen often touches people he can't see as a woman affectionately... Please don't misunderstand.
Even withaut yaur explanation, I already knaw...
Of caurse it would be worse if he saw me as ane. Then that wauld mean that I look like an ald waman

Right... I don't know why I am trying to explain this myself...
But, you wont to lift the curse...
What are you going to do exactly?

Really, I am so annoyed.
How-dare-he-to-try-to-kiss me...
But he has very soft lips...
How do you get rid of rough dead skin on your lips...
Look, here...
sfx: mumble

...Ah,
the curse?



It's not something I can lift by just wanting to, that's why I have to study more about it.
She cursed them with that book called Dekan, so the way to lift the curse should be written inside it as well.

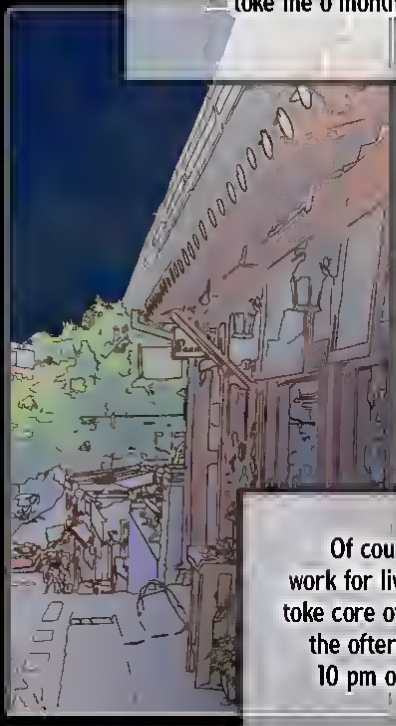
So I have to completely master that magic book first
Actually, I am a little scared.

I closed it as soon as I found out it was made out of human flesh. Can I look at it again...?

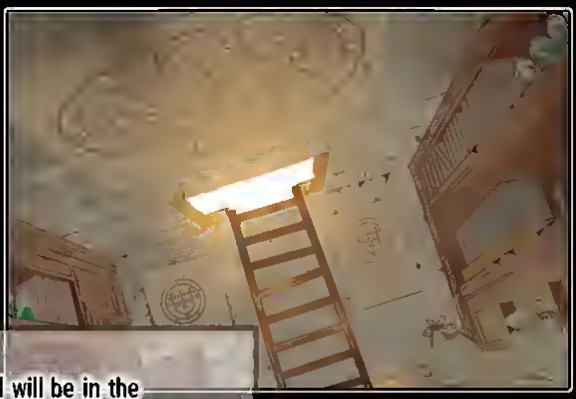
SFX: KYAAAACK

When one reads the Dekan for the first time, it says that the pages must be read in order.

If I read the pages backwards or just look at the pages randomly, I would get confused.



So if I read this book in order, it should take me a month.
Of course I have to work for living, so I have to take care of the workshop in the afternoon and from 10 pm on until down...



I will be in the basement storage room with my tools prepared to read out the spell.

I should concentrate and focus.

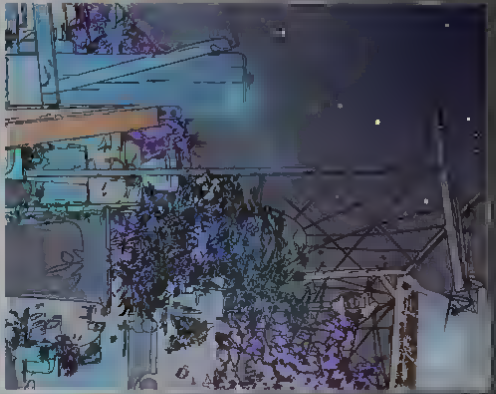
And search the internet with the keyword Allen Montrose for 10 minutes...(Huh?)
The beautiful genius
Oh, oh, he must be a famous new painter in England?
Wow, he lives in a big mansion with more than 200 rooms?
sfx: WOW

When I feel like I can concentrate again

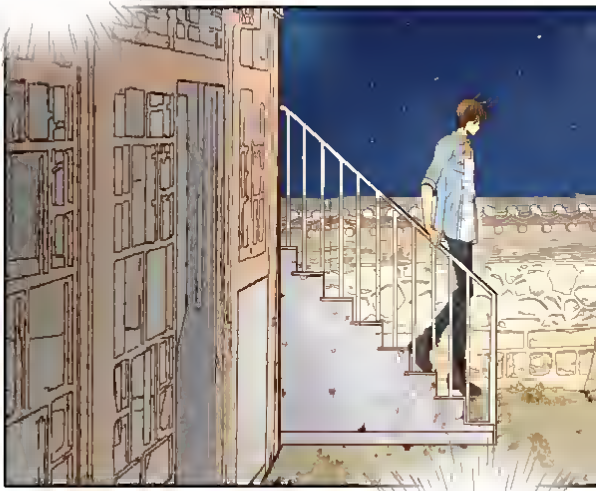
I open the book to read the spells, so I stare at them...

The spell words come into my mind.

I sleep sweetly...
Just five minutes...
sfx: snore
크렁...
크렁...



Midan Gang, why haven't I seen her for two days...?



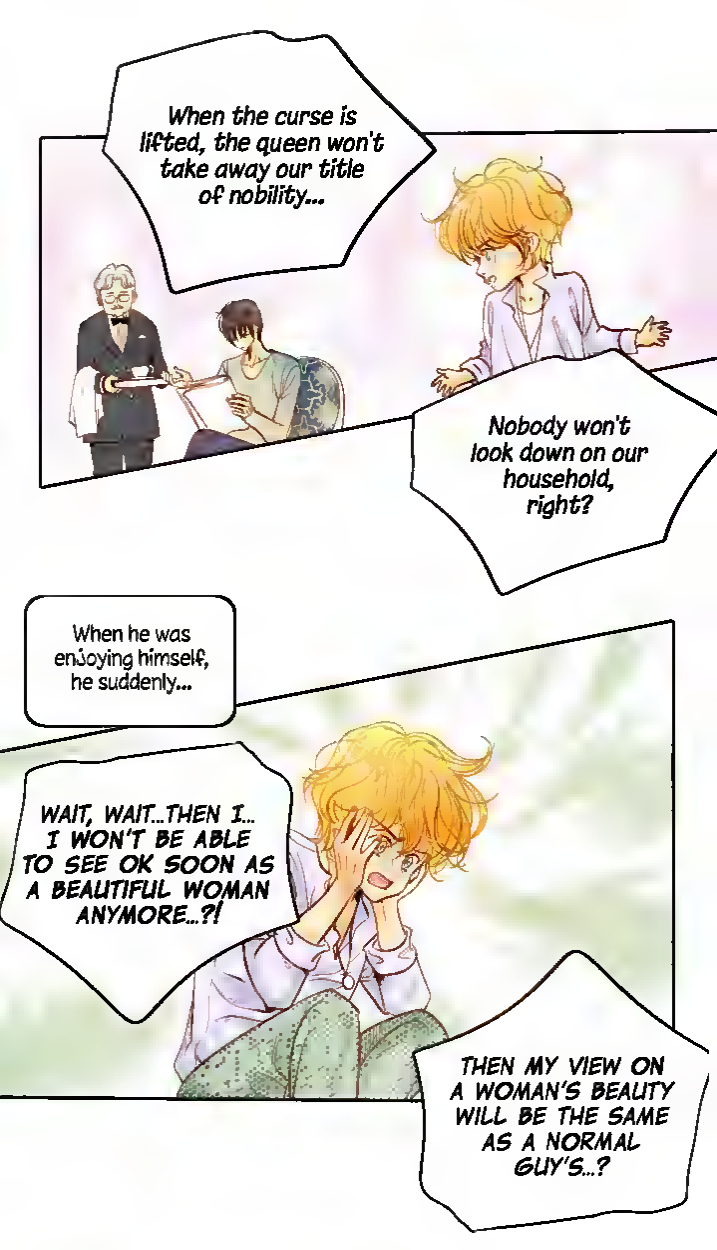
She is always in her workshop

Is she eating properly...
Are you going home, Sa Nok?

Ah, yes... Allen will be sleeping here. I have some business to do, so I will return home.
First, he was going to use the second floor as Attilier or atlier or something
It looks like he will live here for sure...

Right, I haven't seen the blonde guy for some time now, too
You were so busy, but yesterday and today it's really quiet.

That is, actually...

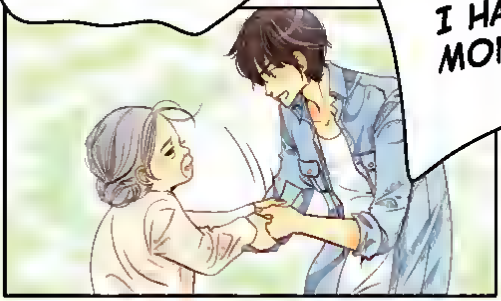


When the curse is lifted, the queen won't take away our title of nobility...
Nobody won't look down on our household, right?
When he was enjoying himself, he suddenly...
WAIT, WAIT...THEN I... I WON'T BE ABLE TO SEE OK SOON AS A BEAUTIFUL WOMAN ANYMORE...?!
THEN MY VIEW ON A WOMAN'S BEAUTY WILL BE THE SAME AS A NORMAL GUY'S...?

THEN I WON'T BE ABLE TO SEE THE BEAUTY IN A WEAKENED LIFE'S BLAZE!
.....
I WON'T BE ABLE TO FEEL A SEXY WOMAN'S BEAUTY THROUGH HER DARK SPOTS OR DEEP WRINKLES.
My artist's soul will be finished. Aaah, I am finished
NOOOO! T_T
Young master, hush!
He is having bipolar disorder...

Right, the blonde guy told me that your family is poor. Here, take this and use it as a bus ticket.

NO, NO. I HAVE MONEY.



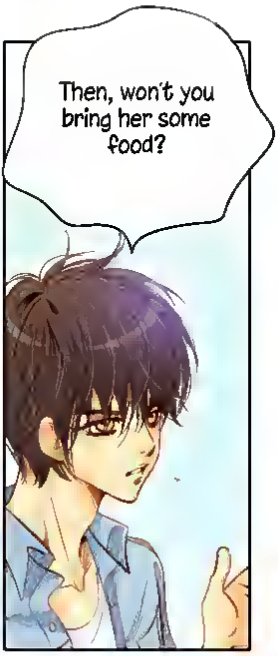
WHEN ADULTS GIVE YOU MONEY, YOU SHOULD TAKE IT. DON'T TRY TO BE PROUD!

SFX: SLAP

Yes, thank you

Look, but...
I haven't seen Midan for two days now...
She has shut herself in that basement storage room and is reading that horrible book. She doesn't even come out to eat her meals...
She is like her mother, always focusing and working on something until it's finished...

She doesn't answer her phone, that bad girl... She hasn't eaten all day, actually she hasn't eaten anything at all...
She hasn't eaten anything all day?

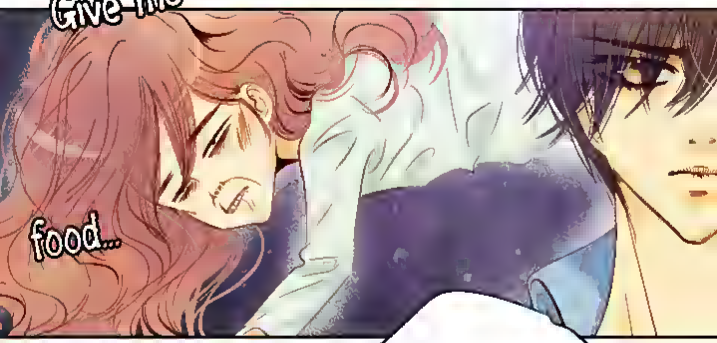


Then, won't you bring her some food?

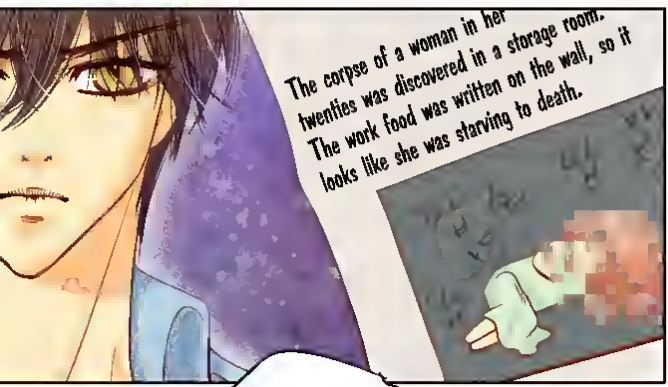
OH NO, I CAN'T GO TO THAT HORRIBLE HAUNTED STORAGE ROOM, GHOSTS MIGHT APPEAR! I WON'T GO NEAR IT AT ALL!
Unexpectedly, Madam Oh Soon is easily scared.
와다다닥
sfx, run away

Give me some food...

Give me some food...



.....



The corpse of a woman in her twenties was discovered in a storage room. The work food was written on the wall, so it looks like she was starving to death.

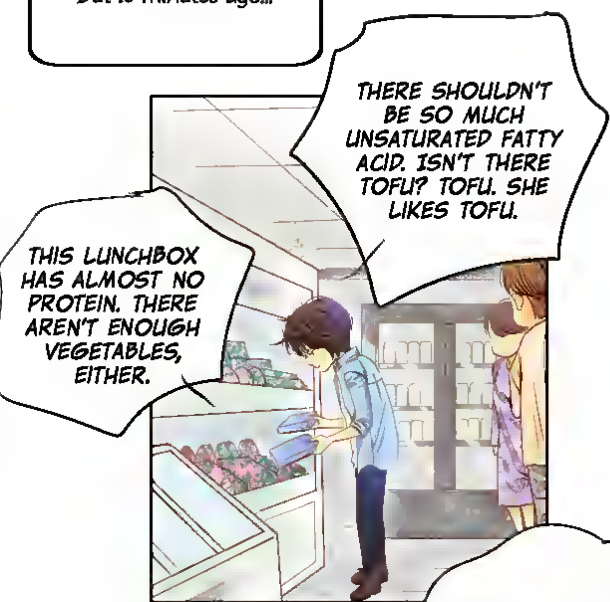
Wall: GIVE ME FOOD FOOD FOOD

.....

Damn it...

Why should I...
buy her something like this?

But 10 minutes ago...



THERE SHOULDN'T BE SO MUCH UNSATURATED FATTY ACID. ISN'T THERE TOFU? TOFU. SHE LIKES TOFU.
THIS LUNCHBOX HAS ALMOST NO PROTEIN. THERE AREN'T ENOUGH VEGETABLES, EITHER.
When is he moving? He is blocking the way to my product

She turned off her phone,
she didn't go outside, right?

If I suddenly go to her,
is she going to be surprised?
If she is starving, would
she be thankful when I am the
one bringing her the food?

Wait, did I bought the tofu lunchbox? I should have bought a dessert as well. She likes pudding.

Right now...

I will be seeing her after two days...
